**Press Statement**  
**29 April 2011**

## **Villar on Gutierrez's resignation:**

"Gutierrez's act is expected. This will do the country good, saving time and resources on the part of the Senate. Now, we should move forward and continue working to find ways to help the country in the face of the rising cost of petroleum products and basic commodities. Kung may pananagutan si Gutierrez sa batas, nariyan ang ating hukuman para magpasya dito."
