SENATE

Senate Bill No. 1084

RECEIVED BY: 

Introduced by Senator Manny Villar

EXPLANATORY NOTE

This bill seeks to increase the penalties on illegal gambling amending for the purpose Presidential Decree No. 1602 entitled, "Prescribing Stiffer Penalties on Illegal Gambling."

The proliferation of illegal gambling activities throughout the country has been observed to be constantly on the rise and along with it, social ills such as drug addiction, crimes against person and property, and broken family relations.

Illegal gambling is directly or indirectly, perceived to be the reason why said social ills abound. Drug users, alcoholics, and similar deviants resort to gambling to support their addicting vices only to realize later that they are deep in debt due to gambling losses. Their predicament leads them to resort to crime as a means of acquiring fast money thereby threatening the peace and order of our society.

The penalties imposed by present laws have become inadequate or obsolete to discourage, if not stop, these noxious activities. The impossible penalties on illegal gambling are already impractical, ineffective, and unresponsive to the present norms of conduct and behavior of society because laws on the matter were enacted more than two decades ago.

The penalties for illegal gambling must be increased to make it more effective in stopping this social menace which has fostered wrong values and false among our countrymen, as well as dissipated the much needed energy and resources of the people.

In view of the foregoing considerations, approval of this measure is earnestly enough.
