P.S. Resolution No. 317

INTRODUCED BY SENATOR VILLAR

RESOLUTION RECOMMENDING TO THE DEPARTMENT OF TOURISM, THE RESTORATION, REHABILITATION AND RE-GREENING OF ALL MAJOR PARKS IN THE COUNTRY ENCOURAGING FOR THE PURPOSE PUBLIC-PRIVATE SECTOR PARTNERSHIP THROUGH THE INSTITUTIONALIZATION OF "ADOPT-A-PARK" PROGRAM

Whereas, Sections 16 and 20, Article II of the 1987 Constitution states that:

"Section 16. The State shall protect and advance the right of the people to a balanced and healthful ecology in accord with the rhythm and harmony of nature.

Section 20. The State recognizes the indispensable role of the private sector, encourages private enterprise, and provides incentives to needed investments."

Whereas, the Philippines can attract more tourist and can encourage healthy and ecologically friendly activities by investing in parks which are found all over the country;

Whereas, this can be one of the key strategies of the Department of Tourism in developing new and enhancing existing products in order to foster growth in tourism;

Whereas, main attractions of majority of Philippine parks are the playgrounds, statues of historic and prehistoric characters, animals and replicas of natural wonders as well as the abundance of species of trees and plants;

Whereas, adopting a design for an Adopt-a-Park program to improve and enhance parks through community involvement and citizen partnerships by seeking the participation of neighborhood organizations, civic and church groups, scout troops, businesses, schools, families and individuals in taking an active role in the beautification of the community;

Whereas, the Adopt-a-Park program is based on the premise that citizens make a difference in ensuring that every neighborhood park, children's playground, beach or natural area is clean, safe and well maintained;

Whereas, by adopting a park in the neighborhood, people and communities can make a difference in the way parks look and operate;

Whereas, parks, when improved can dramatically contribute to the boom in property values leading to an increase in revenues for the government and providing for an opportunity for investment by the private sector;
